Visionary Design, Beautifully Crafted Interiors With Spectacular Harbour Views

Forming part of Newcastle's newsworthy East End development, Fabric House is a vision of timeless desirability? a beautiful, heritage building with decidedly 21st Century interiors, set in a rapidly evolving city centre that's surrounded by harbour, headlands and history.

Those with a taste for the finer things in life will embrace the select material palette of timber floors, stone kitchen benchtops, and polished chrome fittings and fixtures, which all lend a stylish urban aesthetic to the bespoke interiors. Soft curved lines and windows add a playful, sculptural feel and a balcony maximise natural light while adding a desirable alfresco element.
