Iconic coastal identity, elevated five acres with views to the ocean and beyond

Land Area: 5 Acres

Completely individual, statement property with spectacular views

Exquisitely unique, eye-catching and contemporary, this stunning property presides over five acres of high set perfection, designed for every room and every space to indulge in the panoramic district and ocean views. Affectionately known as the "Star Trek" home due to its spaceship profile from the air, this is an unforgettable residence for those seeking individuality and a statement property.
